Colorado Gives Day: Chapter Sets Goal of $5,000

It’s so easy! On or before Tuesday, December 4, go to www.colorado gives.org, and scroll down the page to where you are asked to enter Name or Keyword. Enter PFLAG Denver, then hit the green Go button. When the box for PFLAG Denver appears on the screen, click on the Donate button and follow the instructions. Your contribution will allow us to continue to reach diverse groups and individuals, advocate for trans and gender-expansive families, increase our visibility, and give out generous scholarships to the next generation of leaders through our scholarship program.

We count on your support and thank you in advance!

Don’t Delay! Deadline for Survey Is December 14

PFLAG National asks us to participate in an important survey. Here is their message:

Dear PFLAG Members and Supporters,

We’re excited to launch this survey that will help us create more responsive resources and services, we are excited to invite you to be part of PFLAG’s 2019 “Count Yourself In” survey.

In an effort to understand more about PFLAG’s members and supporters so that we can create more responsive resources and services, we are excited to launch this survey that will help us know more about our nationwide PFLAG family.

Here’s what you need to know:

1. It takes three minutes. It really is that quick, we promise. (So why not start right now?)
2. It’s confidential. This is a completely anonymous survey. Your responses will not be associated with your member record.
3. It’s essential. Your feedback will allow us to better serve you and build a stronger PFLAG.

The deadline for completing this short, confidential, and essential survey is December 14.

At PFLAG, you always count to us. This is a chance to make sure that you are officially counted!
